The sweepstakes winner will receive points, in addition to other points won for horse as follows:
1 point for a "B" ride, 2 points for an "A" ride, 3 points for an "AA" ride.

For example: Rider places 3rd and horse places 1st and sweepstakes.
Calculate points as follows:
If 10 competitors in the class, horsemanship points = 12
horse points = 16 for placing + 2 points for sweepstakes for a total of 18 points.
If 4 competitors in the class, horsemanship points = 8
horse points = 12 for placing + 2points for sweepstakes for a total of 14 points.
If there are 6 riders (horsemanship) in a division/class, but one is DO then the points are figured on 5 competitors. But, if the horse is competing, then the points are figured on 6 horses.
